True Mind, True Heart, True Spirit

St Edward's Catholic Academy

Introduction

At St Edward's we pride ourselves on our strong Catholic ethos based on the Gospel values and teaching of the Church. To this end we aim to maintain a high standard of behaviour. An important part of this is the support we receive from the families who share our values.

This policy principally relates to children but it is important to note that the principles set out here relate to positive relationships and behaviour of all; this includes amongst staff and all members of our Academy community.

Aims, expectations and principles

This policy reflects and supports the aims of our Mission Statement:

'True Mind, True Heart, True Spirit'

At St Edward's Academy we believe that every individual is unique and made in God's own image. We accept the trust the parents and carers have placed in putting their children into our care, as a privilege. Therefore everything we do is aimed at developing each child to his or her full spiritual, academic and social potential.

**I know the plans I have for you says the Lord,
Plans to give you hope and a future.**

Jer. 29:11

As a Catholic Academy our religious education, based on the teachings of the Gospel and the Catholic Church, permeates every aspect of Academy life. Relationships and behaviour are integral to our happy, healthy and safe learning community as we seek to foster a positive attitude between all members of our Academy community showing mutual respect regardless of ability, gender, race or culture.
